TO HELP YOU
SUCCEED**

The brokers, forwarders, logistics companies, intermodal marketing companies, perishable commodities brokers, NVOCCs, and other members of the Transportation Intermediaries Association are required to follow a strict code of ethics designed to promote high standards of professional service and business conduct. The freight industry recognizes this commitment by granting TIA members priority placement on load boards.

Velocity Transport was born out of the industry's need for a different kind of freight brokerage company - one built on integrity and principle.

Offering Capacity Throughout North America

Full Service Freight Brokerage:

- Temp Control
- Dry Van
- Flatbed

Best Payment Terms in the Industry
14 days standard and 1% Quickpay

Modeling its core values after those held by its highly regarded parent, McLane Company, Inc., Velocity is able to provide the speed and capabilities of a large brokerage house by leveraging strong financial backing and industry expertise while still prioritizing the development of authentic relationships with customers and carriers.
